

# Louise

Finance Officer

<i>Qualifications</i>	Bachelor of Science; Certificate II in Accounting Certificate IV in Finance (Commenced)
<i>Why I work at Firstchance</i>	I am extremely grateful to work in a job I love, for a wonderful organisation with such supportive and caring colleagues who value and appreciate my work and contributions. NDIS and its recent changes means everyday is different and this is something I embrace and know will help both myself and Firstchance to grow and continue to support families in our community.
<i>The skills I bring to Firstchance</i>	<ul style="list-style-type: none"><li>• Knowledge</li><li>• Determination</li><li>• Patience</li><li>• Accounting experience and a love of working with numbers</li><li>• Being flexible when there are changes in my workload</li></ul>
<i>Outside of work I like to .....</i>	Cook; attend scrapbooking classes; spend time with my husband watching our daughter dance and our son play soccer. I also love spending time catching up with family and friends as often as possible.
